Región de Murcia

REGION OF MURCIA

Also enjoy what you do whether working or not

The Region of Murcia is endless. In just over 11,000 square kilometres there is a world to discover. Its **conferences centres**, specially designed for this purpose and landmark sites with its inherent character, will make your event, incentives meeting or business meeting a truly unforgettable event.

This land combines **nature at its purest, sea, traditions, heritage, gastronomy, leisure ...** in an area where distances do not exist and are no longer important, so that one can go surfing on the beach at dawn before starting a productive workday.

Over 7,000 beds distributed in approximately thirty rooms belonging to the three conference centres in

the region, in addition to the 100 located in 2, 3, 4 and 5 star hotels of the main MICE (Murcia, Cartagena, Aguilas and Lorca) destinations, which encompasses a wide range to choose from both the city as well as the scenario that best suits one's needs and expectations.

This region furthermore has **the best beaches** along 252 kilometres of coastline and at the same time, an **orographical wealth** perfect for hiking, rock climbing, taking long walks along the small and long-distance trails...

Because **working here is also enjoyable**. What are you waiting for to check it out?

Reasons to choose the **Region of Murcia as a MICE destination**

Splendid weather

The privileged climate of the area, with an average temperature of 19° C and 300 days of sunshine a year facilitates oneself **enjoying the streets and squares** in the warm winter sun of this Mediterranean land.

Melting Pot

Ancient civilisations have been and passed through Cartagena, Murcia and Lorca leaving a legacy of incalculable artistic and heritage value. Religious buildings, archaeological sites, monuments, museums ... Far beyond the bigger cities, every village, every corner of the Region of Murcia hides traces of its history which have been recovered and are of recognised importance so as to become acquainted with the **inherent identity** of every site.

22 golf courses to choose from according to preferences

The Region of Murcia has become one of the **favourite destinations** for golf enthusiasts and professional golfers. In a working radius of 35 kilometres one can find **22 high-class golf courses** designed by renowned international players. A unique and unforgettable experience on the Mediterranean.

Nautical Paradise

The mild temperatures and tranquil waters make the Costa Cálida **ideal for engaging in water sports** all year round. The prevailing winds on certain beaches have become a sanctuary for kite lovers and the untouched pristine beaches of Calblanque, welcome those surfers arriving very early at the crack of dawn who greet the day engaging in his/her great passion. The calm waters of the Mar Menor and the sheltered coves of the Mediterranean are the perfect retreat for engaging in paddle surf and kayaking. Charters with or without a skipper to discover the **still wild coast** of this land ... A paradise enjoyable all year round.

Undersea Legacy

Fall in love with the richness of the seabed. The Cabo de Palos-Islands Hormigas Marine Reserve and underwater caves of Cabo Tiñoso (Cape Tiñoso) which are fascinating due to **the clarity of its waters** and its wild flora and fauna. The Costa Cálida, also has the largest number of **historic sunken ships** in the Mediterranean. It is the moment to discover the great stories which are to be told by diving among these ships.

Reasons to choose the **Region of Murcia** as a **MICE destination**

Good-natured happiness

The people of Murcia have an open and welcoming personality who smile at life. The warm evenings are enlivened under the lights of the terraces where tapas are served **in a casual style** in an ambiance which lasts until well into the early hours.

Mediterranean Cuisine

The peculiar geography of the region invites one to try **specialties for all tastes**. The best vegetables of the huerta (garden) are part of the Mediterranean diet which combines tradition with the spoon dishes of one's grandmother and the **avant-garde signature cuisine** but also full of flavour. Fruit candies, candied fruit and honey where the most delicate aromas of these fields are noted. Tocino de cielo egg and syrup pudding), marzipan, Caravaca "yolks", macaroons... pastries and confectionery inherited from time immemorial which continues to delight young and old.

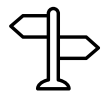

Wine routes of **Bullas, Jumilla and Yecla**

Wine is a way of understanding life. Lovers of its culture will find in the Region of Murcia his/her favourite destination as it has **three denominations of origin**, Bullas, Jumilla and Yecla, where the Monastrell (or Mourvèdre) is the star. Immerse oneself through wineries, wonderful natural landscapes and historical monuments of these locations which entails an **unforgettable experience**.

Active Tourism

The **huge contrast** between the different landscapes of the Region gives rise to endless options. By land, there are over a hundred small and long-distance trails which weaves a comprehensive route network of trails with rich contrasts. The Vía Verde of the Northwest, cycling routes, BBT routes... **Greater scenic waterborne activities** crossing the Segura River in places where its waters flow more calmly or seeking adventure with steeper descents such as the Almadenes Canyon.

As seen from the sky, the Region of Murcia shows all its greatness and splendour in a geography full of contrasts. Noteworthy are the **summits, massifs and mountain ranges** converted into perfect natural watchtowers so as engage in adventure sports. Paragliding, hang gliding, zip lines (Tyrolean traverse), gliding, parachuting or hot air ballooning. **Endless options** for the most varied tastes.

Caravaca, **Jubilee city**

In 1998, the Holy See granted as regards the devotion to Vera Cruz, the holding of a **Jubilee Year in Perpetuum** every seven years. Since then, Caravaca de la Cruz is considered **one of the five holy cities in the world** and is the destination for pilgrims and travellers seeking an inspiring, different and, above all, enjoyable destination. The next Jubilee Year will be 2017.

Reasons to choose the **Region of Murcia as a MICE destination**

Salus per **aquam** (SPA)

Murcia is a **health region** for centuries. Ancient civilisations settled in these lands for its healing waters. There is no better place to relax one's body and mind. **Thermal water spas, thalassotherapy centres and spas** where one can enjoy the best health and beauty treatments.

Cultural reference

The good weather also helps to one to enjoy oneself in auditoriums of extraordinary beautiful natural spaces, well worth visiting for the setting itself. The Region of Murcia is home to some of the **music festivals of reference** in its areas, such as the **Mar de Músicas** (The Sea of Music) in Cartagena, the **San Javier Jazz Festival**, the **Cante de las Minas de La Unión** (Minas International Flamenco Vocals Festival) or the **SOS 4.8** in Murcia. In addition, an ambitious network of theatres which caters to shows of all kinds and for all tastes.

Trendy shopping

Shopping becomes a real experience. Between visits to the **carefully selected shops in major cities of the region**, one can partake of have an appetiser or coffee in the sunny terraces of the most popular squares in the city. Or make a purchase in the assorted stalls of the **market squares**. For those with less time, the best option is to go shopping at one of the **many shopping centres** which bring together the best franchises and an exciting mix of family entertainment.

The ideal space for conferences, meetings and reunions

7,000 places in **three conference centres** in Murcia (17 auditoriums), Cartagena (9 auditoriums) and Águilas (3 auditoriums) which represent the best scenario for events of all kinds. Moreover, added to the mix are the rooms located in 2, 3, 4 and 5 star hotels which similarly are included in the city of Lorca, as well as places of special importance that the Region of Murcia makes available to companies. This wide range of places, which is capped off with **two conference offices** in Murcia and Cartagena, include **the most innovative technologies** and services necessary for the meeting to be held with complete success.

Welcoming stay

The Region of Murcia has an **extensive and varied selection of hotels**, with large chains which offer all kinds of services, upscale hotels for high profile events, family hotels where a more personalised service is provided, as well as **special charm** state-owned hotels and inns. Hotels **on the sea shore** or in private resorts, accommodation in the largest cities of the region ... Over 50,000 accommodation sites and nearly 16,000 in 3, 4 and 5 star hotels. **Endless options** to choose from.

www.murciaturistica.es

Lorca, the Sun City, is a city of a hundred coat of arms or that of a hundred names. It is undoubtedly the most monumental stop of the Region: **medieval, Renaissance and Baroque**.

UNIQUE SETTINGS FOR YOUR BUSINESS MEETINGS

The Lorca Castle, an emblematic medieval building of the city, known as the **Fortaleza del Sol** (Fortress of the Sun), was restored and its recognised importance so as to host interesting cultural and leisure activities.

It currently offer a room with a capacity for 65 people in one of the **reservoirs** located in this fortress, near the **Torre del Espolón** (Espolón Tower), one of the most representative Christian symbols of the Reconquest in this area.

HOTELS

Over 400 beds in **3 and 4 star hotels** and a **tourist parador** (state-owned hotel). From among all options offering approximately 15 rooms with a total capacity of 2,753 people.

TOURIST ATTRACTIONS

Lorca is known as the **baroque city** due to the significant baroque heritage of its historical centre, one with the highest projection in the region. Similarly noteworthy is the **synagogue** which is still standing in the Jewish Quarter and is the only synagogue which was not converted into a Spanish church.

The **Yeguada de Béjar**, in Lumbreras Port, is a place of unique charm, where one can contemplate the most precious specimens of Spanish pure bloods.

For golf lovers, the **Lorca Resort Golf & Spa** offers exclusive facilities in a luxurious setting.

Moreover, one cannot miss out on visiting the **Museos de Bordados de la Semana Santa** (Easter Embroidery Museum) to become acquainted with the works of art that the embroiderers of the municipality create with their own hands. Similarly, at the **Arts and Crafts Centre** one can see first-hand the embroidery of a jarapa (thick fabric of various compositions) or a more traditional pottery of this land, with temporary exhibitions, live demonstrations and sale of arts and craft products.
